Welcome Event in Erfurt

Brühler Garten | Erfurt

The Thuringian Welcoming Culture Initiative wants to promote an atmosphere in Thuringia where people feel welcome, included and recognised. This can only be accomplished by as many (new) Thuringians as possible – no matter where they are from. That is why we welcome you to participate in the 3rd Welcome Event in Erfurt.

Get information on how to communicate and live openly and help us develop a lively welcoming culture for Thuringia.

We are looking forward to seeing you!
